USER CONTRACT

I/We, _____ hereby request permission to make an individual connection to the Calhoun County Rural Water District system. Our mailing address is/will be _____

Our phone number is _____. The individual connection is to be at our business/home located at _____. The licensed plumber who will make the connection to the District's water main is _____

The individual connection tap-on fee is \$1,000.00. For this fee the user is provided the privilege of connecting onto the system. Also, the District will provide the following material; water main saddle and corporation stop, service line and tracer wire from the main to the meter (up to 100 feet), meter yoke with regulating valve (if needed), 3/4" x 5/8" meter, meter tile, and meter lid.

The District will supply no labor, trenching, installation, or road boring. The plumber approved by CCRW shall supply all labor, trenching, installation, boring and any material not provided by the District. All workmanship and installation shall be in accordance with State, Local and District laws, rules and regulations and shall be observed by the District's operator prior to covering up the work.

The meter shall be placed in a location determined by the District near the public road right-of-way. The District's maintenance and ownership shall end at the meter. Water charges will begin the day of connection to the District's main. Acceptance of this request by the District is subject to availability of sufficient pressure and current capacity.

If requested, I/We, hereby shall grant the District a perpetual easement in, over and upon, any land in which I/We have any ownership interest (this includes land I/We currently have or in the future obtain any ownership interest in) with the right to erect, maintain, replace/remove water pipelines and appurtenances. I further agree that any unpaid bills by either myself or any interested parties occupying said property shall constitute a lien against this real estate as described above.
